Information Disclosure Statement

1. The information disclosure statement filed 12/30/04 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because the information provided for reference A6 and A15 do not correspond or are conflicting in that the document number as provided does not match to date, name, and filing date information reported thereon and with respect to reference CA fails to comply with 1.98 at least due to lacking required relevant information for each publication listed in an information disclosure statement must be identified by publisher, author (if any), title, relevant pages of the publication, date, and place of publication. It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a).

Allowable Subject Matter

2. Claims 1-9 are allowed.
3. The following is an examiner's statement of reasons for allowance: claimed steps including in part establishing a subscription-based membership for each player by charging each player a fee for a time period, hosting tournament for subscription-based players, establishing a prize pool, providing means for allowing a non-subscription player to participate without payment of the fee where the non-subscription player is limited to one entry and disbursing the prize pool to winning players appears allowable, as claimed, as best understood since prior art

appears not to teach or suggest either a mixed pool of paying and non-paying players or limiting non-subscription (non-paying) players to one entry per tournament.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Walker and Schneier each disclose tournament systems.
